Scoring section:

If your score is 80 – 100: To a great degree, you are Happy for No Reason.

If your score is 60 – 79: You have a good measure of being Happy for No Reason.

If your score is 40 – 59: You have glimpses of being Happy for No Reason.

If your score is under 40: You have little experience of being Happy for No Reason.

Whatever your score, you can *always* move toward being more Happy for No Reason. It doesn't matter where you begin; what matters is that you *do* begin. Once you've begun practicing the seven steps and the Happiness Habits, take the questionnaire again. After that, assessing your Happy for No Reason score on a regular basis will help you chart your progress.
